

# List of some publications related to Combinatorial Reconfiguration

**Contributor(s):** Duc A. Hoang

March 4, 2025

## **Abstract**

In this document, we provide a non-exhaustive list of publications related to [Combinatorial Reconfiguration](#).

This work is licensed under a [Creative Commons “Attribution-NonCommercial-ShareAlike 4.0 International”](#) license.

## Publications categorized by year

|      |    |
|------|----|
